

How to add the DoALL landing page on your website:

- Contact your website administer or manager and provide them with this document and the DoALL distributor graphic
- Have them create a page on your website and a tab to access the page
- Copy the text below
- Paste the text into your new page
- Review the link is working and taking you to the DoALL corporate website
- Publish the page and the tab

And you are now able to display that you are a Preferred DoALL Distributor!

If you require assistance, contact us at marketing@doallsaws.com

Text for your web page is below:

Preferred DoALL Distributor

DoALL® Sawing Products is the original manufacturer of metal cutting industrial band saws and continues to be the industry leader after over 90 years in business.

DoALL Sawing Products provides a variety of products and solutions for ALL of your sawing needs:

- Sawing machines,
- genuine DoALL OEM parts,
- DoALL OEM blades,
- coolants and cutting fluids,
- and a full-service team of technicians and engineers to keep your saws producing.

Visit the [DoALL website](#) today!
